Risk Factor Evidence Requirements

Evidence to substantiate how the member meets criteria for CIS must be documented as part of the referral process. Community providers making referrals shall attach any available evidence that corresponds to the eligibility criteria selected in the referral form. The absence of complete documentation should not preclude referral to CIS.

1. Attach any documentation available to substantiate or further describe the member's qualifying health condition(s)
 - a. If the member has a Mental Health Need,
 - i. Provide any certification of the presence of a Severe and Persistent Mental Illness;
 - ii. Provide any other clinical documentation or attestation from a provider of the presence of a Severe Mental Illness;
 - iii. If the member is enrolled in CCS, documentation does not need to be provided.
 - b. If the member has a Substance Use Need,

- i. Provide clinical documentation or attestation that the substance use disorder meets ASAM level 2.1 or higher;
 - ii. Provider verification through ADAD's system, if available.
 - c. If the member has a complex Physical Health Need,
 - i. Provide clinical documentation or attestation from a provider of the presence of a complex physical health need;
 - ii. Provide any other available evidence of routine or excessive use of emergency and inpatient settings;
 - iii. If the member is already eligible for LTSS services, documentation does not need to be provided.
- 2. Attach all documentation available to substantiate a history of homelessness or at risk of homelessness, including but not limited to the following
 - a. If the member is already homeless, include as available:
 - i. An HMIS record or record from a comparable database;
 - ii. A written observation by an outreach worker of the conditions where the individual was living;
 - iii. A certification of homelessness;
 - iv. A written referral by another housing or service provider;
 - v. Where evidence described above cannot be obtained, a certification by the individual seeking assistance, which must be accompanied by the intake worker's documentation of the living situation of the individual seeking assistance and the steps taken to obtain evidence above.¹

NOTE: Third-party letters must be on agency letterhead, signed and dated. The name and title of the person signing should be indicated.

- b. If the member is at risk of homelessness, based on the criteria selected, the following evidence may be provided:
 - i. Eviction letter and proof of current residency at the mailing address from where the member is being evicted
 - ii. Evidence individual has a history of frequent or lengthy residence in a facility (Facility Face sheet or Discharge Summary that includes admit, discharge and transfer dates as applicable), and documentation that the individual will be discharged soon.
