HHHRC Syringe Exchange Program (SEP)

HHHRC exchanges sterile needles for used ones for people who use needles to inject drugs, steroids, hormones, or other substances.

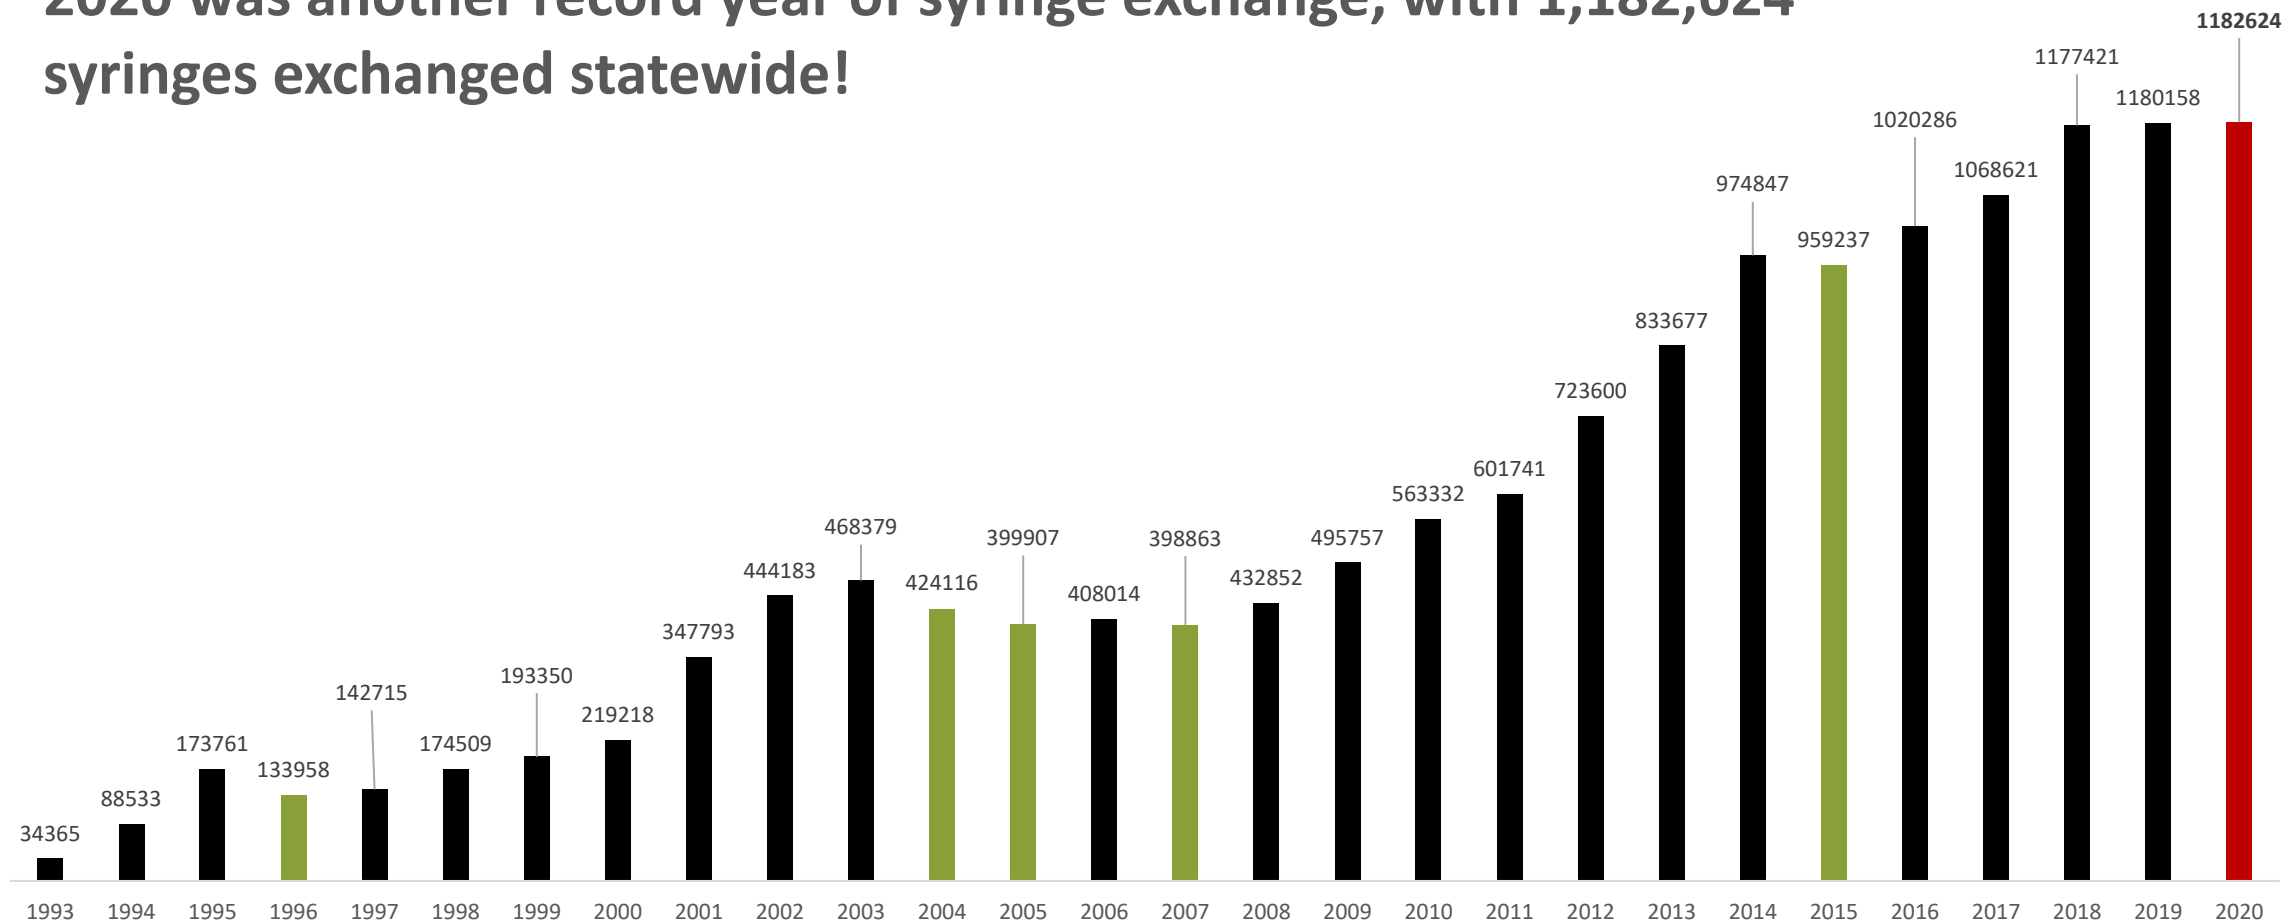

O'ahu:

- Office line for more information: **(808) 521-2437 ext. 273**
- Cell for outreach van in Chinatown: **(808) 285-4265**
- Cell for van that does syringe exchange appointments: **(808) 286-2852**

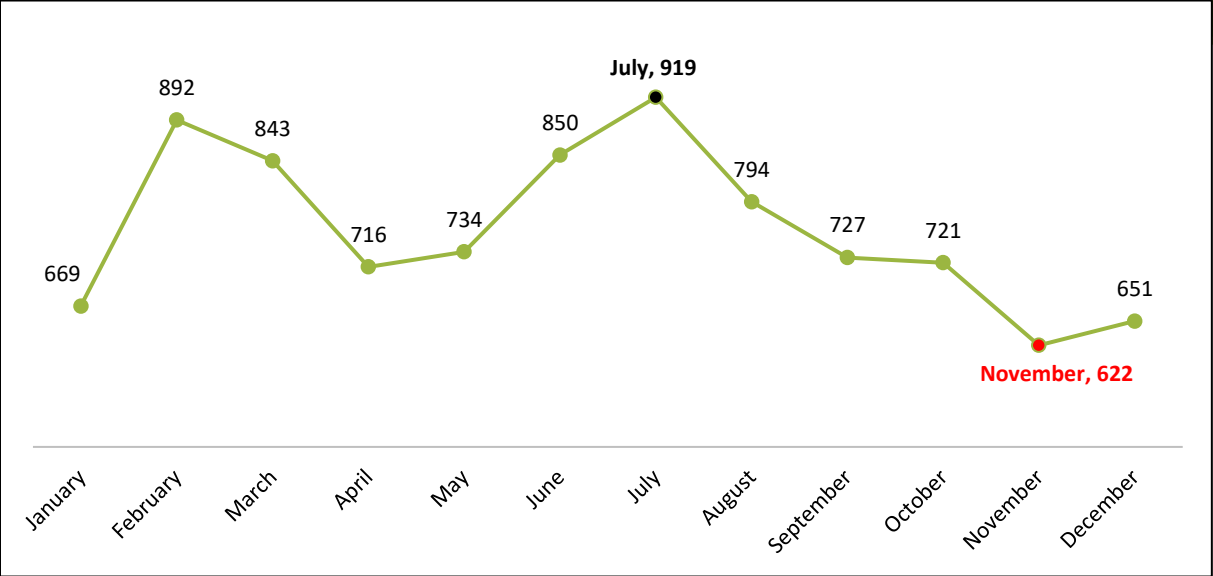

2020 was another record year of syringe exchange, with 1,182,624 syringes exchanged statewide!

In 2020, statewide, the # of visits (N=9,138) decreased 26% compared to 2019 (N=12,337).

Heaviest volume: July (919 visits)

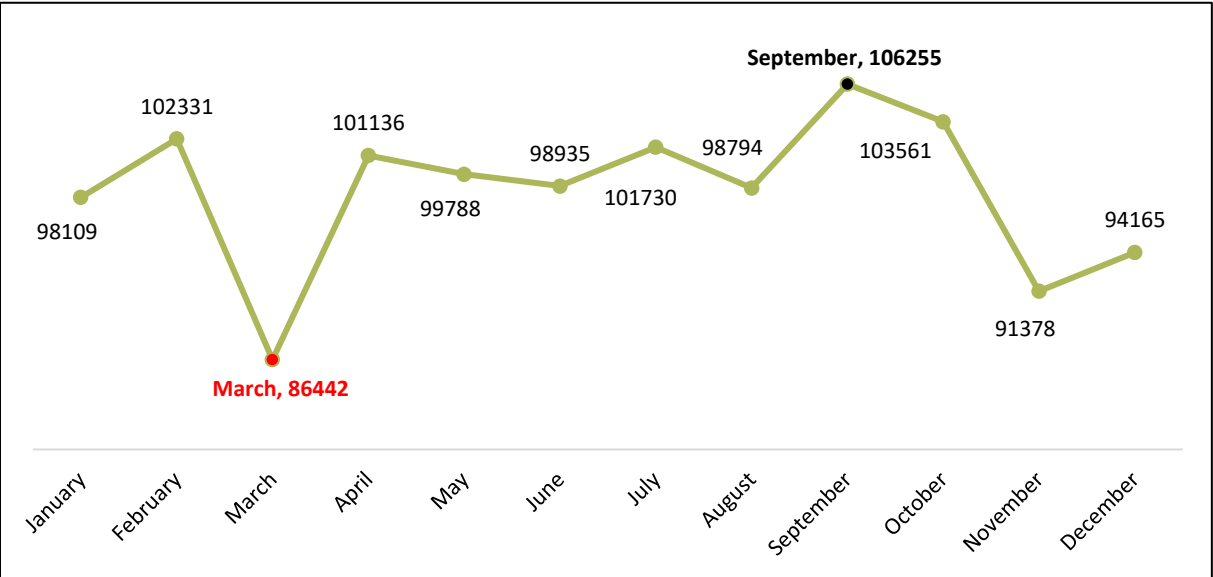

Lightest volume: November (622 visits)

In 2020, statewide, the average # of syringes exchanged (N=129) increased 34% compared to 2019 (N=96).

Heaviest volume: September (106,255 syringes)

Lightest volume: March (86,442 syringes)

Gatekeeping Activity on the Rise in 2020

Out of 9,138 SEP visits, 3,432 unique individuals were identified using Participant IDs.

Of those 3,432 unique individuals, 25% (n=850) reported exchanging 799,156 syringes for 3,414 individuals!

Location	Individual Gatekeepers	Individuals being Gatekept for	Gatekeeper Visits	Syringes Exchanged by Gatekeepers	Average No. of Individuals being Gatekept for Per Gatekeeper	Average No. of Syringes Exchanged Per Visit by Gatekeepers
Statewide	850	3,414	4,369	799,156	4	183
O’ahu	291	1,349	2,506	248,264	5	99
Hawai’i Island	230	988	959	276,084	4	288
Maui	254	749	578	199,886	3	346
Kaua’i	75	328	326	74,922	4	230

First aid kits distributed during:
54% of SEP Visits
38% of Outreach Visits

HHHRC Overdose Prevention

www.hhhrc.org/naloxone

NALOXONE

The medication Naloxone has been proven to stop the effects of opioid overdose and save lives, and is legal to carry in the state of Hawai'i. Naloxone can be provided by HHHRC staff to any individuals who want it. Our naloxone program is free and anonymous, and available on O'ahu, Kaua'i, Maui, and Hawai'i Island. **If you live in Hawai'i and want naloxone, please fill out the form below.**
