<i>Community Building (Hui Aloha & I.H.S.)</i>	What does it take to build community in the way you described?	It doesn't take a massive investment of resource. The investment is only twice per week total – once per week for a service project, and once per week for a planning meeting with Hale Mauiola, Ka Poe O Kakaako, and Hui Aloha.
<i>Faith-Based Partnerships (Community Alliance Partners)</i>	What is the website that you described where people can put out community needs, such as requests for car seats, diapers, etc.?	The site is www.careportal.org . A specific example of support for those needing diapers is the Hawaii Diaper Bank (www.hawaiidiaperbank.org).
