# Older Adults and Housing Resources

Over the past decade, the number of Hawaii residents aged 65 and older increased by over 35%.

# Effects of Aging

# Housing challenges for older adults may include...

 Difficulty affording market rate rent and increases in other essential expenses

New or increased health care needs

• Isolation from loved ones

Inability to live independently

The lack of affordable housing and appropriate supportive services may result in older adults falling into homelessness.

Hawaii	11	24	50

Average Number of Calls Annual to the ADRC Statewide = 45,000

### Assumptions

- Older adult population is growing
- Future older adults may not be ready for their golden years. Greater number may be renting instead of owning their homes.
- Uncertainty with fixed incomes and rents increasing.
- Tendency for future older adults to face homelessness.
- ➤ Network saw an increase in calls to the ADRC regarding housing.
  - ➤ Coupled with the rent moratorium ending and inflation.

- Capacity
- ✓ Who is a Vulnerable Adult
- ✓ Types of Abuse
- ✓ Abuse Definitions
- ✓ Investigation Process
- APS and Police Interface
- ✓ Mandated Reporters
- Making an APS Report

# What is Adult Protective and Community Services (APS)?

✓ APS receives and investigates reports of abuse to vulnerable adults

APS provides short-term services to protect the health, safety and welfare of vulnerable adults who have been abused, neglected, or financially exploited

#### APS Goals

#### Safety:

Remedy the abuse, neglect, and/or exploitation of a vulnerable adult

#### Stabilize:

the situation through counseling and/or support services

#### Respect:

the individual's right to self-determination

#### Definition of Capacity

Hawaii Revised Statutes Chapter 346-222 defines "capacity" as:

THE ABILITY TO UNDERSTAND AND APPRECIATE THE NATURE AND CONSEQUENCES OF MAKING DECISIONS CONCERNING ONE'S PERSON OR TO COMMUNICATE THESE DECISIONS

#### Capacity

✓ If capacity is at issue, the vulnerable adult must be examined by a psychiatrist or qualified physician (HRS 346-240)

The court shall also make a finding concerning the capacity of the vulnerable adult to effectively make decisions concerning personal needs or property (HRS 346-240)

#### Definition of Vulnerable Adult

- 1. Age 18 or older, and
- 2. Has a mental, developmental or physical impairment, and
- 3. Is unable to:
  - Communicate or make responsible decisions to manage person's own care or resources, or
  - 2. Carry out or arrange for essential activities of daily living, or
  - 3. Protect oneself from abuse

#### Definition of Abuse

Hawaii Revised Statutes Chapter 346-222 defines "abuse" as, any of the following, separately or in combination:

Self-neglect

Physical abuse

Caregiver neglect

Financial Exploitation

Psychological abuse

Sexual abuse

#### Definition of Self-Neglect

- 1. The <u>vulnerable adult</u> is unable, due to physical or mental impairment (or both) to perform tasks essential to caring for oneself;
- 2. Appears to lack understanding or capacity to make or communicate responsible decisions; and
- 3. Appears to be exposed to an immediate risk of death or serious physical harm

## Self-Neglect

Self-Neglect

#### Definition of Physical Abuse

Non-accidental infliction of physical or bodily injury, pain, or impairment, including but not limited to:

- Hitting
- Slapping
- Causing burns or bruises
- Poisoning
- Improper physical restraints

#### Definition of a Caregiver

Any person who has knowingly and willingly assumed, on a part-time or full-time basis, the care, supervision, or physical control of, or who has a legal or contractual duty to care for the health, safety and welfare of a vulnerable adult

#### Examples of Caregivers

- Primary caregiver
- Adult residential care-home (ARCH) operator
- Adult day-care program
- Family member
- Power of attorney/durable power of attorney
- Legal guardian
- ✓ Health-care facility

## Definition of Caregiver Neglect

Failure of a caregiver to exercise that degree of care for a vulnerable adult that a would exercise within the scope of the caregiver's assumed legal or contractual duties, including but not limited to:

#### Definition of Caregiver Neglect

- 1. Assist with personal hygiene
- 2. Protect the vulnerable adult from abandonment
- 3. Provide in a timely manner necessary food, shelter or clothing
- 4. Provide in a timely manner necessary health care, access to healthcare, prescribed medication, psychological care, physical care, or supervision
- 5. Protect the vulnerable adult from dangerous, harmful or detrimental drugs
- 6. Protect the vulnerable adult from health and safety hazards
- 7. Protect the vulnerable adult from abuse by third parties

# Definition of Financial Exploitation

Breach of a fiduciary duty, such as:

- Misuse of a power of attorney or the misuse of guardianship privileges resulting in the unauthorized appropriation, sale, or transfer of property
- The unauthorized taking of personal assets

Honolulu- A Hawaii Kai woman was convicted of first degree theft and two counts of money laundering after she was accused of stealing more than \$600,000 from an 85 year old woman, according to prosecutors

(Hawaii News Now website, April 2013)

#### Financial Exploitation

In June 2007, Act 94 was enacted into law (HRS 412), whereby financial institutions are mandated to file a report with APS of suspected financial exploitation of an elder who is 62 years of age or older

#### DURABLE GENERAL POWER OF ATTORNEY

#### KNOW ALL THESE MEN BY THESE PRESENTS.

- Sexual fondling
- ✓ Incest
- Prostitution
- Or pornographic photographing, filming or depiction

### Investigation Process

- Assigned to a social worker, nurse, assistant, and auditor (for financial cases)
- Unannounced visits; will attempt to go more than once.
  Speak to the victim and perpetrator separately
- Ensure safety, stability, right to self-determination
- Order for immediate protection (OIP)
- ✓ Legal Guardianship (for vulnerable adult who lacks capacity)

#### Police Involvement

✓ Per HRS 346-229, Right of Entry: APS may request the assistance of a police officer for a warrantless entry to ascertain the vulnerable adult's welfare

APS will report to police or the Department of the Attorney General, and Medicaid Fraud Control Unit, when APS suspects that a crime has been committed

#### Mandated Reporters

State law requires certain professionals to report vulnerable adult abuse (HRS Chapter 346, Part X)

All personnel in:

- ✓ Social Services
- ✓ Law Enforcement
- ✓ Health care
- ✓ Medical Examiners or Coroners

# Protection from Liability

- Anyone making a report of abuse or neglect shall have immunity from civil or criminal liability.
- Any individual who assumes a duty or responsibility pursuant to the law shall have immunity from civil liability for acts or omissions performed within the scope of the individual's duty or responsibility

#### Failure to Report

A mandated reporter who knowingly fails to report, or who willfully prevents another person from reporting shall be guilty of a petty misdemeanor

All reports are confidential

## When to Report

Abuse or neglect must be reported promptly to APS by mandated reporters when, in the performance of their professional or official duties, they know or have a reason to believe that a vulnerable adult has incurred abuse or is in danger of abuse if immediate action is not taken
